Dear Mr. Ma:

## CORRECTIVE ACTION PLAN FOR THE HANFORD SITE SOLID WASTE LANDFILL

This letter serves as a written request to extend the delivery date of the corrective action plan for the Hanford Site Solid Waste Landfill from September 30, 1994, to November 30, 1994. The State of Washington Department of Ecology was contacted by Mr. K. D. Johnson, Westinghouse Hanford Company, to discuss a change in date and had no objection. The corrective action plan is being prepared as requested in the letter from Mr. F. Ma to Mr. J. E. Rasmussen, U.S. Department of Energy, Richland Operations Office, dated June 23, 1994, "Corrective Action Program Requirements, Scale Construction, Operational Plan, and Lysimeter Installation, Hanford Site Solid Waste Landfill." 37445

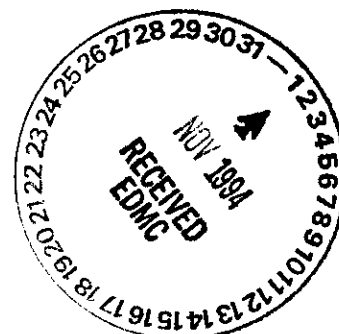

Should you have any questions, please contact me or Mr. S. D. Stites of my staff on 376-8566.

Sincerely,

James E. Rasmussen, Acting Program Manager
